YOUNG'S REPRIMAND

Call Bureau, Post Building, Washington, Jan. 2.—Secretary Bonaparte has approved the findings of the court-martial held in the case of Commander Lucien Young, commanding the gunboat Bennington at the time an explosion of her boilers occurred at San Diego, Cal., last July.

The findings are that Commander Young is guilty on certain specifications under the charge of neglect of duty and not guilty on the other specifications. The court sentences him to be reprimanded by the Secretary and this sentence will be carried out.

The specifications under the charge of neglect of duty, as set forth by the court, were:

"That Commander Young failed to enforce paragraph 9, article 1606, United States navy regulations, which provides that all valves throughout the engine department are to be moved at least once each week; that as failed to enforce paragraph 12, article 1609, providing that the safety valves shall be partially lifted by hand gear at least once each week, when not under steam, to insure their good working order; that he failed to enforce other provisions of the regulations (article 1621-2), under which it was his duty to see that the safety and sentinel valves were kept in good condition and efficient working order; that he failed to comply with the provisions of regulations found in article 437 and article 470, requiring the commanding officer to approve the smooth log, and that he failed to give such orders as precautionary instruction and to make such inspections as were appropriate and necessary to insure the efficient condition of the vessel under his command, for the efficiency of which he was charged with responsibility."

The case of Ensign Wade, who was associated with Commander Young in the matter, has not yet been disposed of.

RACES AT KAPAA

Lihue, Kauai, Jan. 8.—An unusually large crowd turned out to see the horse races on New Year's day at Kapa. The races were close and exciting. Koloa carrying off the laurels and most of the money. Gypsy Princess appeared as a ringer, but the Kealia breed stock showed up strong. In the last race the most exciting of the day, Belledame, James Spalding's fleet little polo pony, was only beaten by a nose in the quarter mile dash. The time made in this race, 24 seconds, was exceedingly fast as the track was slow and the horses had to run against a strong head wind.

The following is a list of the races as run.

First Race, Quarter Mile Dash.—Won by Ikuda, Japanese.

Second Race, Quarter Mile Dash.—Special match; won by Grass, owned by A. H. Rice.

Third Race, Three-eighths Mile.—Last Call, owned by A. H. Rice, first; Belledame, owned by James Spalding, second. Gypsy Princess also ran.

Fourth Race, Three-eighths Mile.—Walelele, owned by A. H. Rice, first; Gray Mare, owned by Ikuda, second; Patrola, owned by James Spalding, third; Hawaii, owned by C. A. Rice, fourth.

Fifth Race, Quarter Mile Dash.—Special match. Won by C. A. Rice's Hawaii.

Sixth Race, Three-eighths Mile.—Last Call, owned by A. H. Rice, first; Belledame, owned by James Spalding, second. Gypsy Princess also ran.

Seventh Race, Three-eighths Mile.—Gypsy Princess won from Last Call.

Eighth Race, Quarter Mile Dash.—Good Luck won from Mamano.

Ninth Race, Quarter Mile Dash.—Gypsy Princess wins from Belledame by a nose.

Danderine

GREW MISS LEWIS' HAIR

AND WE CAN

PROVE IT

The Great Danderine Never Fails to Produce the Desired Results

MISS Lewis' hair was very thin and it was less than two feet in length when she began using Danderine. She says her hair and scalp are now fairly teeming with new life and vigor.

That's the main secret of this great remedy's success as a hair grower. It enlivens, invigorates and fairly electrifies the hair glands and tissues of the scalp, causing unusual and unheard-of activity on the part of these two most important organs, resulting in a strenuous and continuous growth of the hair.

The following is a reproduction of Miss Lewis' last letter:

January 3, 1906.

Dear Doctor Knowlton:—

You know I told you in my first letter that my hair would not reach much below my shoulders, and that all of it together only made one tiny braid.

I am sending you my photograph, which I had taken at Stevens Bros. It tells the whole story better than I can tell it.

Everybody I know is using Danderine, so you see I am doing something to show my appreciation.

Sincerely yours, (Miss) EVA LEWIS.

Danderine makes the scalp healthy and fertile and keeps it so. It is the greatest scalp fertilizer and therefore the greatest hair-producing remedy the world has ever known. It is a natural food and a wholesome medicine for both the hair and scalp. Even a 25c bottle of it will put more genuine life in your hair than a gallon of any other hair tonic ever made. It shows results from the very start.

NOW at all druggists in three sizes, 25 cents, 50 cents and \$1. per bottle

To show how quickly Danderine acts we will send a large sample free by return mail to any one who sends this advertisement to the Knowlton Danderine Co., Chicago, with their name and address and 10 cents in silver or stamps to pay postage.

FREE.
